📌 Additional Notes

- *Stonehenge VIP Visits:* I am working to secure **two special-access visits** to Stonehenge—one at **sunrise** and one at **sunset**. These small group visits are rare and very special. It was 30 people but they have just increase to 50 people. If I'm unable to secure these, you will be refunded the ticket difference.
- *Returning to Sites:* Some sacred places will be visited more than once. This allows the energy to deepen and our hearts to open further with each visit.
- *Gatherings & Ceremonies:* We will also enjoy sacred circles, meditations, and group sharing at selected accommodations as the Divine calls.
