Additional Notes

Stonehenge Stone Circle Experiences

Our tour includes two exclusive Stone Circle Experiences at Stonehenge:

- Sunrise Experience
- Sunset Experience

These special visits allow us to enter the inner stone circle before or after public opening hours.

Returning to Sacred Places

Some sacred sites will be visited more than once during our journey, allowing time to experience them in different ways and deepen our connection with each place.

Sacred Gatherings

Throughout our journey we will enjoy ceremonies with local guides, together with our own group gatherings and circles as inspiration unfolds.
